Title: *Stack of Letters*

Author: Holly Erickson

Thomas,

The house is so empty
without you. Please
return soon.

Love always,

Holly

* * * * *

Holly,

I love you and miss you
too but I'm trying to
secure a future for us.
Please be patient with
me?

Forever yours,

Thomas

Thomas,

I am trying, my love, but
I feel so anxious without
you here. Hurry back!

Love always,

Holly

* * * * *

Holly,

Take a minute to think
about being wrapped up in
my arms. Relax and just
imagine life with us taken
care of. I should be home
within the month. I've

already gotten two
contracts. Three more
and I'll be home. Norbert,
at the Butcher's Knife
in Vesper, did not even
let me finish before
asking where to sign. The
harbormaster from Cove
took a bit of convincing
but he eventually signed
up for one of our food
carts. See? Even without
succeeding in Britain or
Yew, we're off to a good
start. Hopefully I will be
able to finish up in Skara
Brae or Trinsic. I love
you more than anything.
Thomas

ps. Oakley said he would
"get back to me" so you
might want to drop by
The Barnacle with a
batch of those sausage
and cheddar biscuits for
him.

Thomas,

Thank you for making me
smile! Oakley loved the
biscuits and he said he
would like to talk to you
as soon as you return
about one of our carts.

Love always,

Holly

Holly,

That's great! Two more
and I'll be home then.

You should have seen this
man performing in Skara
with his dogs today. They
were fine and then for
no reason they just sat
and refused to obey him.
The way he got all
red-faced and angry
looked just like the old

blacksmith when he'd
catch us up on his roof.
It was probably more
entertaining than his usual
act.

You're never far from
my thoughts, love.

Thomas,

Something terrible has
happened! I went by to
drop off more samples
for Oakley and he was
frantic. His brother was
at the mines when they
were attacked. Please
come home now! I do not
want to be alone!

Holly

* * * * *

Holly,

The mines were attacked?
What happened? I can't
come home right now. I've
almost got enough
business to secure us for
the rest of our lives. I
just need a little more
time. I love you so much.
Please let me take care
of you.

Thomas

Holly,

It's been a week since
I've heard from you. I
don't know if you're
cross with me or what.
Please just tell me
you're okay. I love you
and miss you.

Thomas

Thomas,

I hope this letter finds you well. It seems like everywhere is being raided. Please avoid the main trade routes and come home now. I love you and miss you.

Holly

Holly,

Stay inside and bar the door. There are enough supplies in the cellar that you shouldn't have to leave the house. Only come up to retrieve my letters if you think it's safe. I'm on my way home now. I love you.

Thomas

Holly,

The prices of everything have gone up. The people started picking fights with the shopkeepers. The guards are talking about a curfew. This does not bode well. I wish I was home with you already. I love you so much.

Thomas

Holly,

The world's gone mad! People are rioting! They're firebombing the stores! Caravans are being raided! Just stay inside. No more letters. I'm almost home. I love you and I'll be back with you soon.
